BC AFN Women's Representative Report

Cheryl Rule, Vice Chief Coldwater Band

February 25, 2025

Greetings to the Coldwater Membership,

ẏe tk siX̱ɂt (Good day), I am honoured to be the newly elected BCAFN Women's Representative for a three-year term. Since being elected I have taken the time to work with BCAFN staff to ensure a smooth transition into my new role; this included expanding my understanding of BCAFN and sharing my priorities. In order to grasp my understanding of my role, I have read and re-read the following reports: "Reclaiming Power and Place: The Final Report of the National Inquiry into Missing and Murdered Indigenous Women and Girls," "231 individual Calls for Justice, Red Woman Rising," reports and BCAFN past dialogue sessions, all of which reflect the important needs and priorities of B.C. First Nation women and girls.

In November, I joined my first meeting with the AFN Women's Council. My input included recommendations toward the development of the Missing Persons Data Standards project (MPDS) at Statistics Canada. The MPDS Project is a five-year project that aligns with the Call for Justice 9.5.v in the Murdered and Missing Indigenous Women and Girls (MMIWG) National Inquiry Final Report, which calls upon all police services to standardize protocols, policies and practices to ensure all cases of missing persons are thoroughly investigated. The Call for Justice 9.5.v also includes the creation of a national strategy to ensure consistency in reporting mechanisms for reporting missing Indigenous women, girls, and 2SLGBTQQIA people.

During this presentation we learned that a national strategy could also be developed in conjunction with the implementation of a national database. This would be helpful for B.C. First Nations as it would ensure all necessary steps are taken to ensure that law enforcement do not discriminate against MMIWG2S+ and can fully support families and survivors. However, there is concern that the national database may also hinder the equality of services as law enforcement may be limited from going above and beyond for missing persons once all standardized protocols, policies and practices are completed. During this engagement it was important to ensure that all law enforcement standardization will not lead to limitations on missing persons cases being investigated. I am hopeful to see the future outcomes of this work and eager to see missing person investigations to be improved upon.

In December, I attended the AFN Special Chiefs assembly in Ottawa, Ontario and participated in the AFN Women's Council as the new BCAFN Women's Representative. This meeting was a very busy time for the AFN Women's Council. I am happy to share updates on the National Caucus of Women Leaders, which will be celebrating International Women's Day on March 8th 2025 with a one day virtual meeting where regional offices such as the BCAFN will be presenting our work on the First Nations Gender Based Analysis Plus (FNGBA+) toolkit, titled "All My Relations, A Culturally Relevant Approach to First Nations Gender Based Analysis, which was co-created with Chastity Davis-Alphonse, Dr. Natalie Clark, and Dr. Sarah Hunt.

In January, together with the BCAFN 2SLGBTQQIA+ Representative, Orene Askew, I participated in the third Indigenous, Federal, Provincial, and Territorial National Roundtable on Missing and Murdered Indigenous Women, Girls, and Two Spirit People (MMIWG2S+) to address systemic violence and to advance the 231 Calls for Justice from the National Inquiry's Final Report for the first time. It is important for me to recognize and acknowledge that some steps have been taken toward the implementation of CFJ and in 2024/2025 Indigenous Services Canada (ISC), announced its efforts to combat Human Trafficking.

BC AFN Women's Representative Report

Cheryl Rule, Vice Chief Coldwater Band

February 25, 2025

I am encouraged by the new actions taken on Human Trafficking that includes prevention mechanisms for Indigenous women, girls, and 2SLGBTQQIA+ people; such as safe housing for all and wrap around services for First Nations women, girls, and 2SLGBTQQIA+ people who are placed in vulnerable situations.

I look forward to the work ahead and supporting B.C. First Nation women, girls, and 2SLGBTQQIA+ people.

On February 14th I attended the Annual Memorial March for the first time to honor the Indigenous women who have lost their lives to violence and to lift up their families.

The February 14th Women's Memorial March was formed in 1992 after the brutal and tragic murder of Cheryl Ann Joe, a Coast Salish woman sparked outrage amongst families from the Downtown Eastside and surrounding communities. They were outraged by the manner in which she was murdered, and they were fed up with the continued violence against Indigenous women and girls. This March was formed not only to commemorate our stolen sisters but to give voice to the families and survivors. The Memorial March continues to grow and creates a platform to establish many valuable connections.

I am grateful that I was able to attend, and I will support MMIWG2S+ events that uphold families and survivors. We need increased resources for advocates and the grassroots people who respond to violence and search for Indigenous women, girls, and 2SLGBTQQIA+ people.

kʷukʷscémxʷ (Thank you),

ne syəmyim (Rainbow)

Coldwater Membership,

y̓e tk siƛq̓t (Good day), I would like to submit my quarterly report to membership. My report includes the meetings attended on behalf of Coldwater Band as the Vice Chief. Over the term I have been consistently committed to attending Community Gatherings, Committee Meetings, General Band Meetings and Council Meetings. Election nominations will be in October. The Elections will be in November 2025. Please find a copy of the Election Policy at the Administration Office.

Community members have requested a Meet and Greet. I have committed to meet with membership on the first Monday of every month starting March 3rd. I have requested SCHSS to use the Elders Room, Coldwater Health Centre. Time: 1 pm – 3 pm. I look forward to seeing you and listening to any issues that arise or just have a meaningful discussion.

Council Meetings Attendance: Regrets -1 council meeting over the last term November 14th, 2022 - February 28th ,2025.

General Band Meeting Attendance: Regrets -1 GBM meeting over the last term November 14th, 2022- February 28th, 2025.

Date for Reporting: Nov 13th, 2024 – February 28th, 2025

Topic: Update on Line 1 Pipeline: Coldwater Negotiations with Canada and TM Stalled	Rate: $35 per hour
Representatives: Chief Lee Spahan & Vice Chief Cheryl Rule	
➢ Coldwater Chief and Vice Chief have been working hard with legal counsel to move negotiations forward with Canada and Trans Mountain to resolve longstanding issues around the pipeline right-of-way on IR1. Negotiations on the updated terms have been moving forward very slowly, although not to the satisfaction of the Council. Our attempts to resolve the issue of compensation for the pipeline have completely stalled. ➢ The pipeline right-of-way has not been properly authorized on Coldwater IR1 since 2007. The pipeline was purchased by Kinder Morgan and changed corporate ownership, but there was no application made to Canada for the necessary assignment of the right-of-way until 2012. In 2017, the Federal Court of Appeal found that Canada had breached its obligations to Coldwater by granting the assignment to Kinder Morgan without protecting Coldwater's best interests. Despite the Court's direction to Canada to correct its mistakes in 2017, Coldwater is still without proper compensation and updated easement terms to ensure the protection of our land and Coldwater's participation in decision-making about the pipeline. The pipeline continues to flow 300,000 bbl/day of oil and petroleum products through our reserve without proper authorization.	

Given Canada and TM's continued failure to respect our vital interests in our reserve land, Council is in discussions with legal counsel about options to push for a fair outcome for our lands and our members.	
Topic: TransMountian	Rate: $35 per hour
Representatives: Councilor Mike Smithers & Vice Chief Cheryl Rule	
➢ BC Groundwater has facilitated a meeting with TM in January 2025 to discuss the Integrity dig, schedule for summer 2025 ➢ PGL will work with BCGW on this project: we will be gathering soil and other samples to complete a Human Health Risk Assessment (HHRA) during the dig. ➢ Ongoing work with TM to renew the IM contract ➢ Ongoing restoration work on the West Route ➢ With construction completed, efforts to negotiate an operational working arrangement began. ➢ West Route Committee meetings were put on hold during these discussions	
Topic: Terrestrial Cumulative Effects Initiative	Rate: $35 per hour
Representatives: Councilor Jackie Aljam & Vice Chief Cheryl Rule	
➢ A detailed written Assessment Report and Maps detailing Cumulative Effects to Coldwater Cultural Heritage that can be used in legal discussions with Proponents and the Crown ➢ PGL has been supporting Coldwater to write an Assessment of Cumulative Effects on Coldwater Cultural Heritage. ➢ PGL is currently writing the draft report and preparing supporting maps, figures, and documents.	
Topic: West Coast	Rate: $35 per hour
Representatives: Councilor Jackie Aljam & Vice Chief Cheryl Rule	
➢ West Coast originally proposed to construct a 21 kms powerline to provide electricity to the new electric power compressor unit at CS-8A. This route will no longer be pursued due to a cultural heritage site and artifact finds. ➢ West Coast decided to pursue an alternative route that would require 3 kms powerline from CS-8A to existing third-party powerline, located North of Kingsville. This route will significantly decrease environmental disturbances.	
Topic: Sunrise Expansion	Rate: $35 per hour
Representatives: Councilor Jackie Aljam & Vice Chief Cheryl Rule	
➢ Opportunity for Coldwater to participate in the studies as Environmental Team Members (ETM) or Cultural Guardians (CG). ➢ Members that have taken the Enbridge Readiness Training (RTS) are qualified to work. ➢ Enbridge will get the list of training to Coldwater and can provide the RTS. ➢ Construction is also looking to do survey work along the route	
Topic: Project Dawn	Rate: $35 per hour
Representatives: Councilor Jackie Aljam, Councilor Mike Smithers & Vice Chief Cheryl Rule	
➢ Motion was passed by Membership to move forward with joining the Business venture with Enbridge ➢ Awaiting the next steps from the Transaction Committee	
Topic: Finance Review Committee	Rate: $125 per meeting

Representatives: Councilor Jackie Aljam & Vice Chief Cheryl Rule	
➢ Coldwater has hired a CPA, CA, Senior Manager Accounting Advisory Canada LLP to help support the Coldwater Finance Team to get our books in order ➢ BDO is doing our Audits and should have them available for Council and Community review	
Topic: Coldwater School	Rate: $35 per hour
Representatives: Councilor Leah Collins & Vice Chief Cheryl Rule	
➢ The School HR Committee will be taking a HR & ADMINISTRATION Masterclass Workshop at NK'MIP Resort, Osoyoos BC ➢ The Education Board Policy is being finalized and will be going to the Council for review ➢ Education HR Policy is also being updated and will be submitted to Council in the next couple of months	
Topic: Indigenous Education Council SD#58	Rate: $35 per hour
Representatives: Vice Chief Cheryl Rule	
➢ Announce that Jacob Cowan will be moving to Merritt Secondary School as our new Vice Principal, effective February 3rd, 2025. ➢ Appointment of Angela McIvor as the new District Principal of Indigenous Education for the Nicola Similkameen School District, effective January 28th, 2025. ➢ Aboriginal Advisory Council (AAC) Terms of Reference Review	
Topic: Post Secondary	Rate: $35 per hour
Representatives: Councilor Leah Collins & Vice Chief Cheryl Rule	
➢ Education Coordinator has provided a Parent Gathering at the Coldwater School ➢ The Post Secondary Policy is being updated and will be submitted to Council in the next couple of months	

If you have any questions regarding this report, please reach out to me.

kʷukʷscéyp, Thank you,

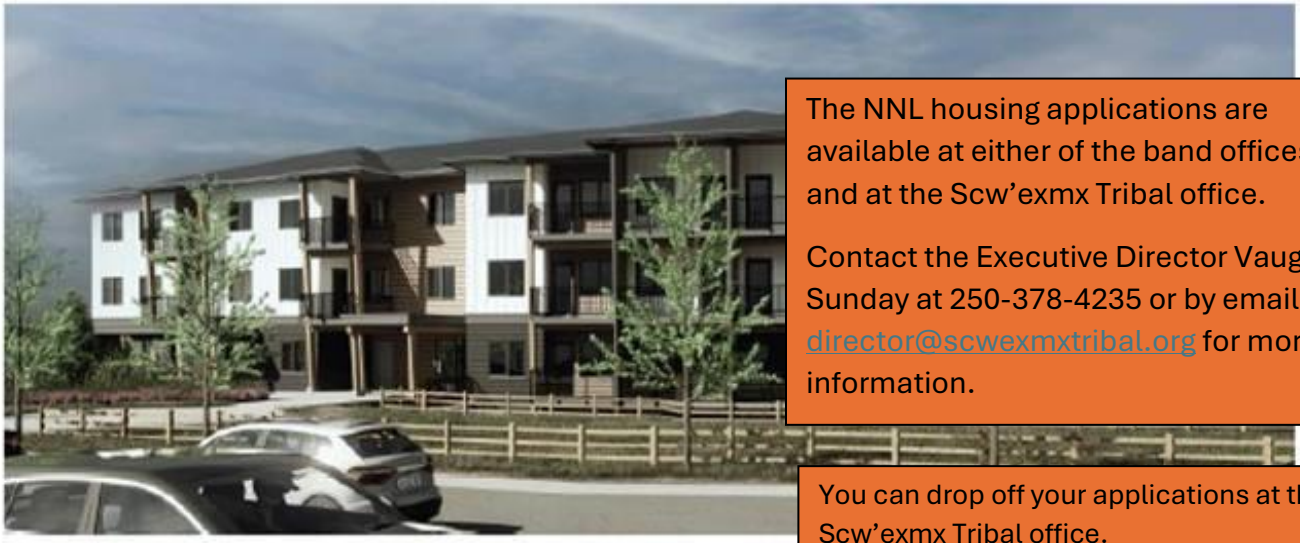

Húm'el, See you soon - goodbye

First Nations Child and Family Services and Jordan's Principle Settlement

The first Claims Period opens

March 10, 2025

First Claims Period for First Nations Child and Family Services and Jordan's Principle Settlement to open March 10, 2025

TORONTO, December 13, 2024 – Class Members of the **First Nations Child and Family Services and Jordan's Principle Settlement** will be able to submit their Claims for compensation starting on March 10, 2025.

The first Claims Period to open is for the Removed Child Class and the Removed Child Family Class, which represent two of nine Classes included in the Settlement. These first two Classes include First Nations individuals who were removed from their homes as Children between April 1, 1991, and March 31, 2022, while on reserve or in the Yukon and placed into care funded by Indigenous Services Canada, as well as their Caregiving Parents or Caregiving Grandparents.

When the first Claims Period opens, Removed Child and Removed Child Family Class Members can make their Claim for compensation by submitting a Claim Form to the Administrator. Until then, compensation is not available.

Individuals who are adults (Age of Majority) as of March 10, 2025 will have three years from the date the Claims Period opens to submit their Claim; however, minors (those who have not reached Age of Majority as of March 10, 2025) will have three years from the date they reach the Age of Majority to submit their Claim.

"Class Members can take steps now to prepare for when the Claims Period opens," says David Sterns, Class Counsel, partner at Sotos LLP and member of the Settlement Implementation Committee. "If you are planning to submit a Claim, we encourage you to start getting ready for the Claims Period by making sure you have government-issued identification and a mailing address. You should also have a bank account in your name so that the Administrator can deposit compensation directly into your account."

Class Members will not have to pay anyone to help them submit their Claim to receive payment under this Settlement.

Several resources and supports will be available at no cost to help Class Members submit a Claim. Currently, the Settlement's Contact Centre (1-833-852-0755) is open Monday to Friday, 8 a.m. ET to 8 p.m. ET, excluding statutory holidays. Once the Claims Period opens, the Contact Centre will also be able to connect Class Members to Claims Helpers, who can provide one-on-one support with completing the Claim Form virtually or in-person, where available. Claims Helpers can also assist Class Members with connecting to local services and wellness resources.

General information and updates about the Settlement and the Claims Process are available to Class Members through the First Nations Child and Family Services and Jordan's Principle website. Class Members who have questions about the Settlement can also contact the Administrator at **1-833-852-0755**.

Mental health counselling and crisis support is available to Class Members 24 hours a day through the Hope for Wellness Helpline at 1-855-242-3310 or at the Hope for Wellness website. Counselling is available in English, French, Cree and Ojibway upon request. Children and youth can also call the Kids Help Phone anytime at **1-800-668-6868** or text FIRSTNATIONS to **686868**..

About

The First Nations Child and Family Services and Jordan's Principle Settlement Agreement was approved by the Federal Court on October 24, 2023, and intends to compensate those harmed by discriminatory underfunding of the First Nations Child and Family Services Program and those impacted by the federal government's narrow interpretation of Jordan's Principle. The $23.34 billion Settlement Agreement followed compensation orders from the Canadian Human Rights Tribunal in 2019, which addressed systemic discrimination against First Nations Children and families.

If you observe dangerous wildlife in an urban area involved in any of the following, please report the incident:

- Accessing garbage or other human supplied food sources.
- Instances where wildlife cannot be easily scared off.
- Dangerous wildlife is in a public location like a park or school during daylight hours.
- When a bear, cougar or wolf is seen in a urban area.

The more sightings reported, then they are able to do something about the animals.

When Do Conservation Officers Respond?

Conservation Officers respond to conflicts with dangerous wildlife where there is a risk to public safety.

Examples of these situations include responding to attacks, bears breaking into buildings, repeated dangerous wildlife encounters at or near public locations, and situations where dangerous wildlife has become habituated (no longer afraid of humans) or food conditioned (dependent upon human provided foods) and now present a risk to public safety.
